
Welcome to our Shyneria
A LEGEND IS BORN
WELCOME ALL

Overnight the growing caterpillars showed up and worked their magic

The next day the elders were so overwhelmed with delight they danced and jumped for joy over the new sprouts.

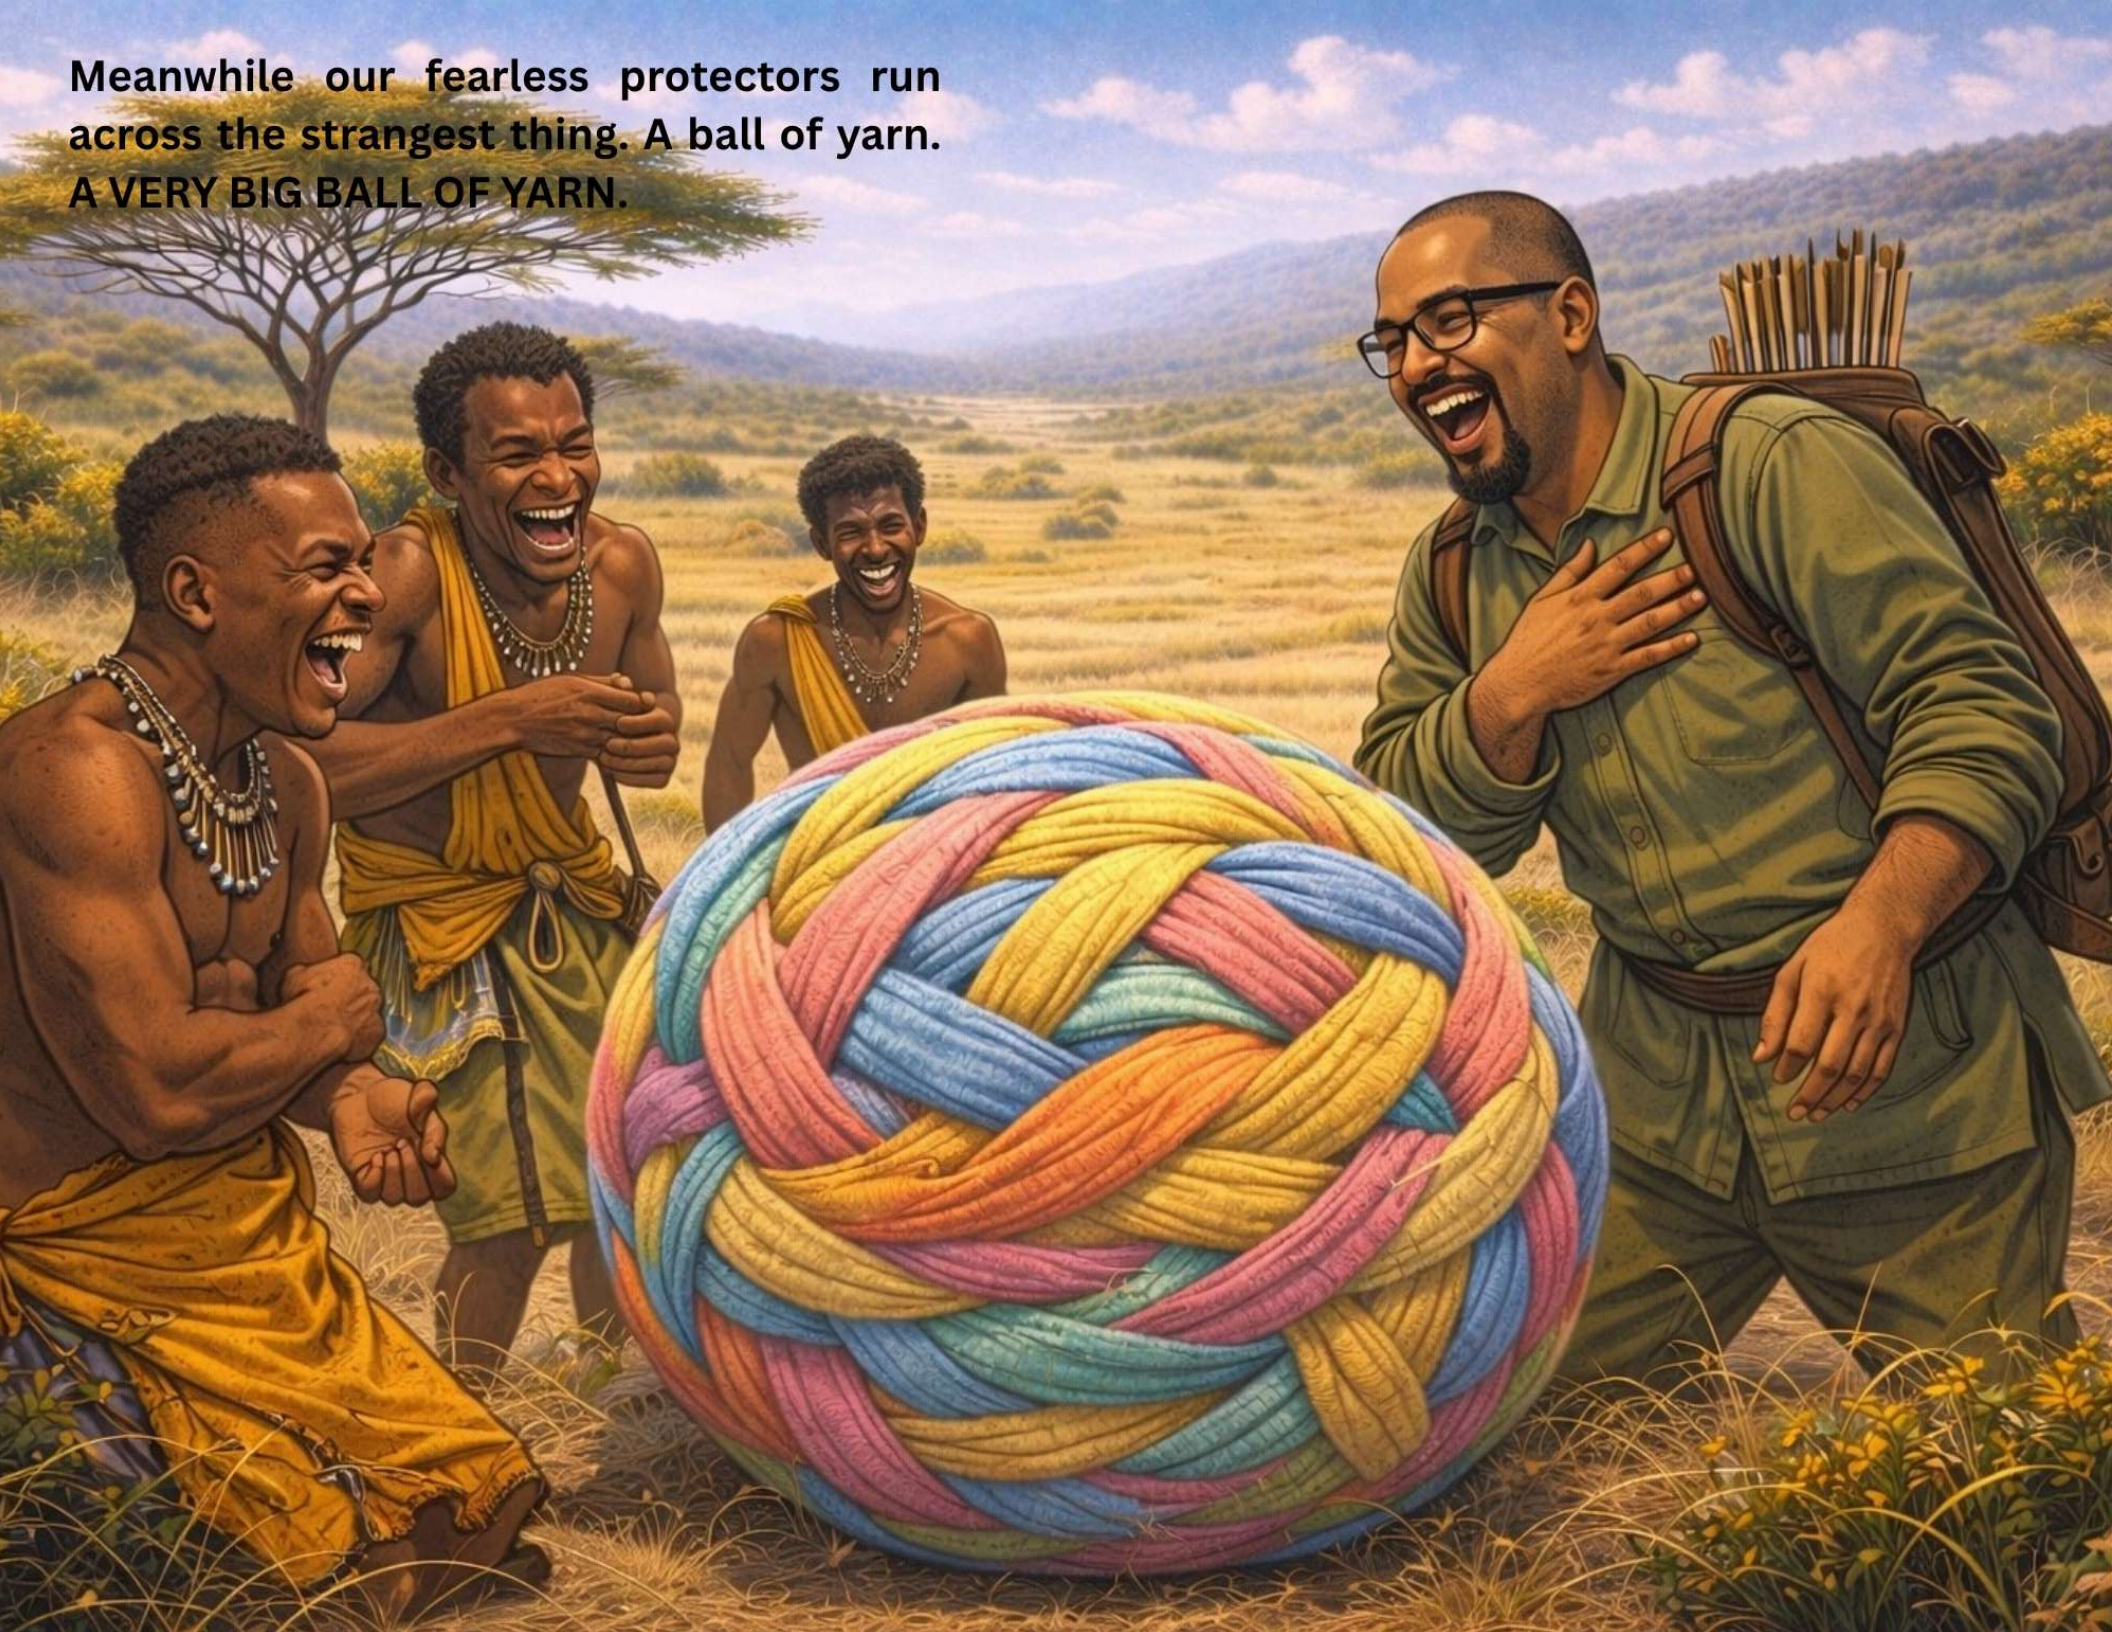

In the village everyone was excitedly weaving fabrics to send back to Shyneria.

Wait. Who do we have here. Sully the silly legendary lion.

Soon Sully was sprinting with Lunara. I wonder where they could be headed.

Sully jumped right in and swam.

Sully and Lunara end up in Shyneria
before anyone else has returned.

Meanwhile our fearless protectors run across the strangest thing. A ball of yarn.
A VERY BIG BALL OF YARN.

The villagers prepare their gift for Shyneria. So much to do and so much to learn.

Our explorers return home with carts full of gifts.

Meanwhile, Sully had already made fast friends with the children of Shyneria and they decide what Sully should wear!

The children decide Sully is a King. They give him a cape and a crown. Sully is pleased.
