
Welcome to our Shyneria
A day of Fun
WELCOME ALL

The children of Shyneria had a special day planned.

They enlisted some help.

Even the adults were chipping in. There was a big surprise that the children were excited to reveal.

There was so much to do. Gathering natures craft tools.

Even gathering for school projects is
so much for in Shyneria.

The children were planning on some really unique gift idea.

They had special desserts made.

Of course they tested them before. Just to make sure they were perfect. They were.

All week they had been learning about the surprise to come. They also had one of their own.

At night they watched and charted the skies.

Just as their teacher had told them.
There was the meteor shower.

As promised we see that yes there is a surprise.

Make Your Own Homemade Tambourine!

Let's make music for the barn dance!

You'll Need:

- ☑ 2 paper plates
- ☑ Beans, rice, or small pasta
- ☑ String, yarn, or ribbon
- ☑ Hole punch (or adult help)
- ☑ Glue, tape, or stapler
- ☑ Bells
- ☑ Bottle caps
- Crayons
- Glitter

- Punch holes around the edge!

1. Add the Sound

- Pour a small handful of beans or rice onto one plate.

- Don't add too much or it won't shake well!

2 Make a Sandwich

- Place the second plate on top

- TIP: Add bells or bottle caps for extra jingles!

3 Close It Up

- Punch holes around the edge
- Tie with string OR have an adult staple it.

- TIP: Add bells or bottle caps for extra jingles!

4. Decorate Your Tambourine

- Draw & create:
  - Squirrels
  - Leaves
  - Music notes
  - Barn and farm scenes!

5. Shake & Dance!

Play your tambourine and join the musie!

- ☑ Makes sound
- ☑ Easy to build
- ☑ Kids will love it

Make Your Own Papier-Mâché!

Let's build something amazing!

You'll Need:

Method 1: Flour Paste

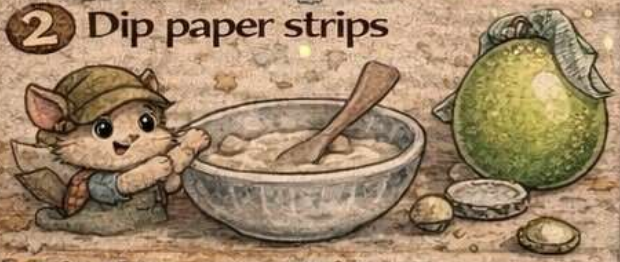

You'll Need:
- ☑ 1 cup flour
- ☑ 1 cup water

1. Mix until smooth

2. Dip paper strips

☑ Cheap ☑ Easy

Method 2: Glue Paste

You'll Need:
- ☑ White glue
- ☑ Water

1. Mix equal parts

3. Dip paper strips

☑ Stronger ☑ Less messy

Build It:

- Tear paper into strips
- Dip into paste
- Lay onto your shape
- Let dry
- Add more layers if needed

Finish It:

- Paint it
- Decorate it
- Add glitter
- Make animals, masks, or worlds
