
Welcome to our Shyneria
A Grand Adventure
WELCOME ALL

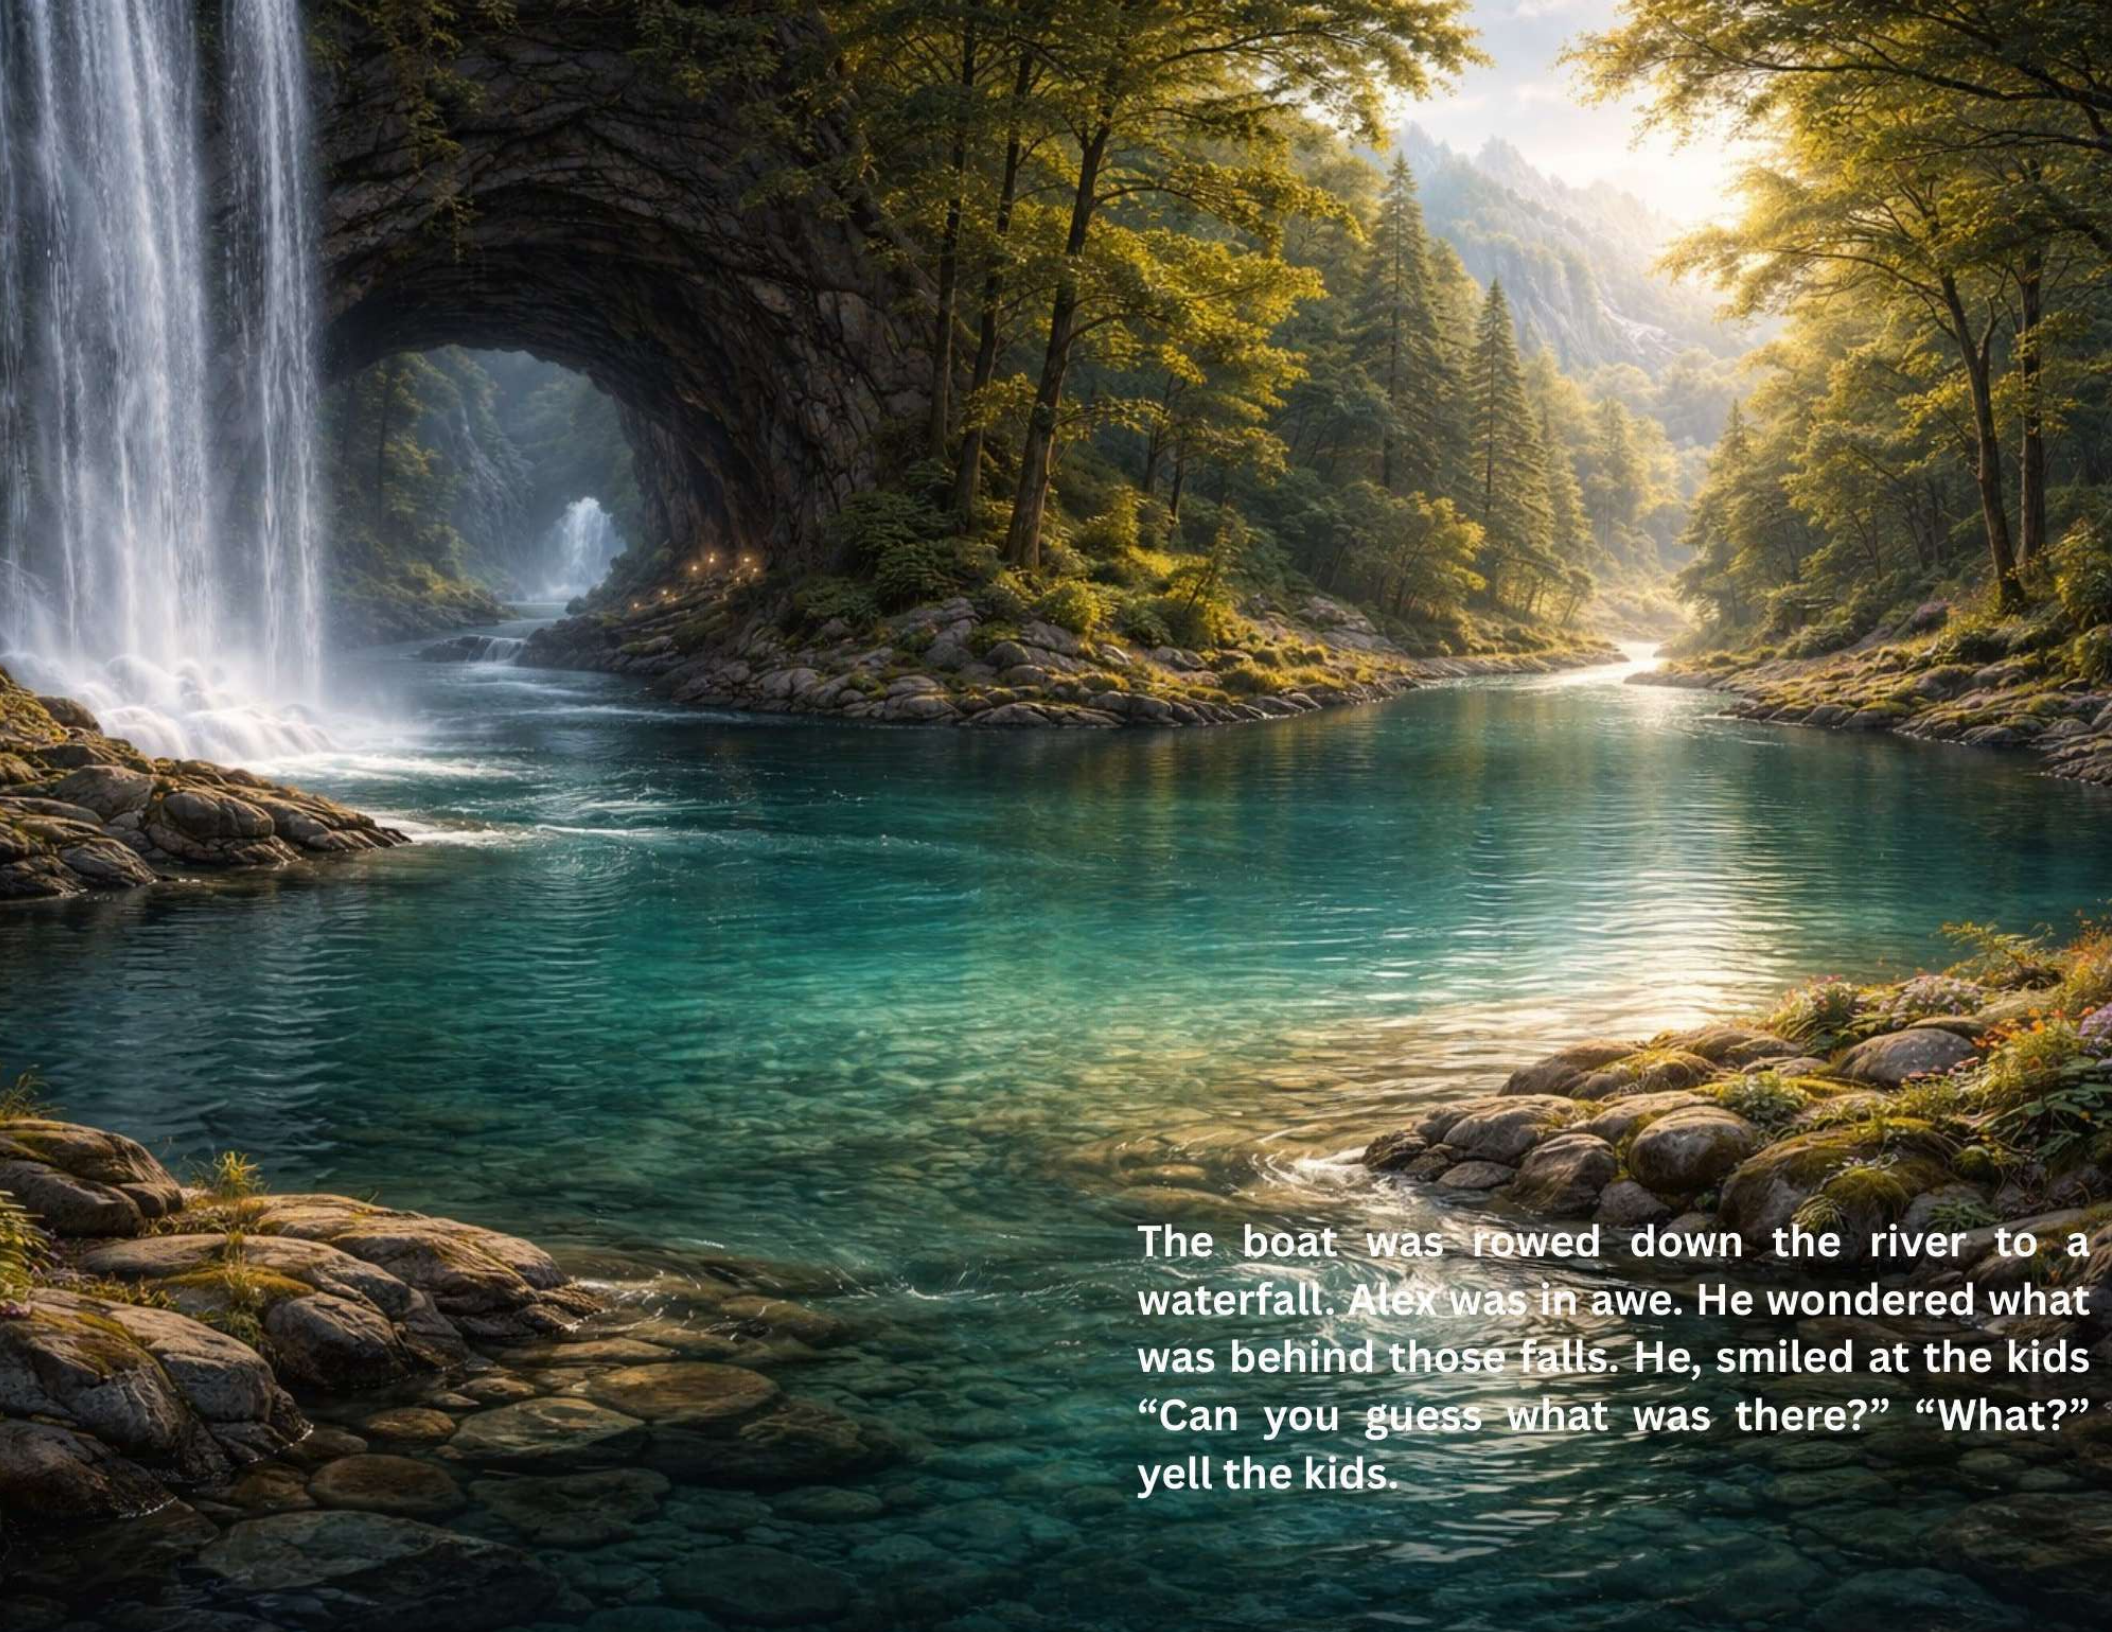

On a clear sun filled day, we join our friends for a morning splash. Soon we will get to share stories, songs and a special meal!!!

So we gather around to hear a grand story. The story begins; all sit with joy. “The other day, I saw a bear!” Alex grinned. The KIDS JUMPED with alarm. “A BEAR!! WHERE OH WHERE!”

“Over there in the forest I saw that bear.”
“In the forest?” call the children. “Yes, not just any bear, a big GIANT white polar bear, IN YOUR FOREST!!” Alex giggles.

“So I ran! And he followed me,” Alex wide eye now. “He followed you,” echo the children. The bear did follow Alex all the way up a tree. “UP A TREE,” LAUGH THE CHILDREN. The Bear says to me, “What are you doing up there, come down, here comes our boat!” “What!” Alex exclaims at the bear.

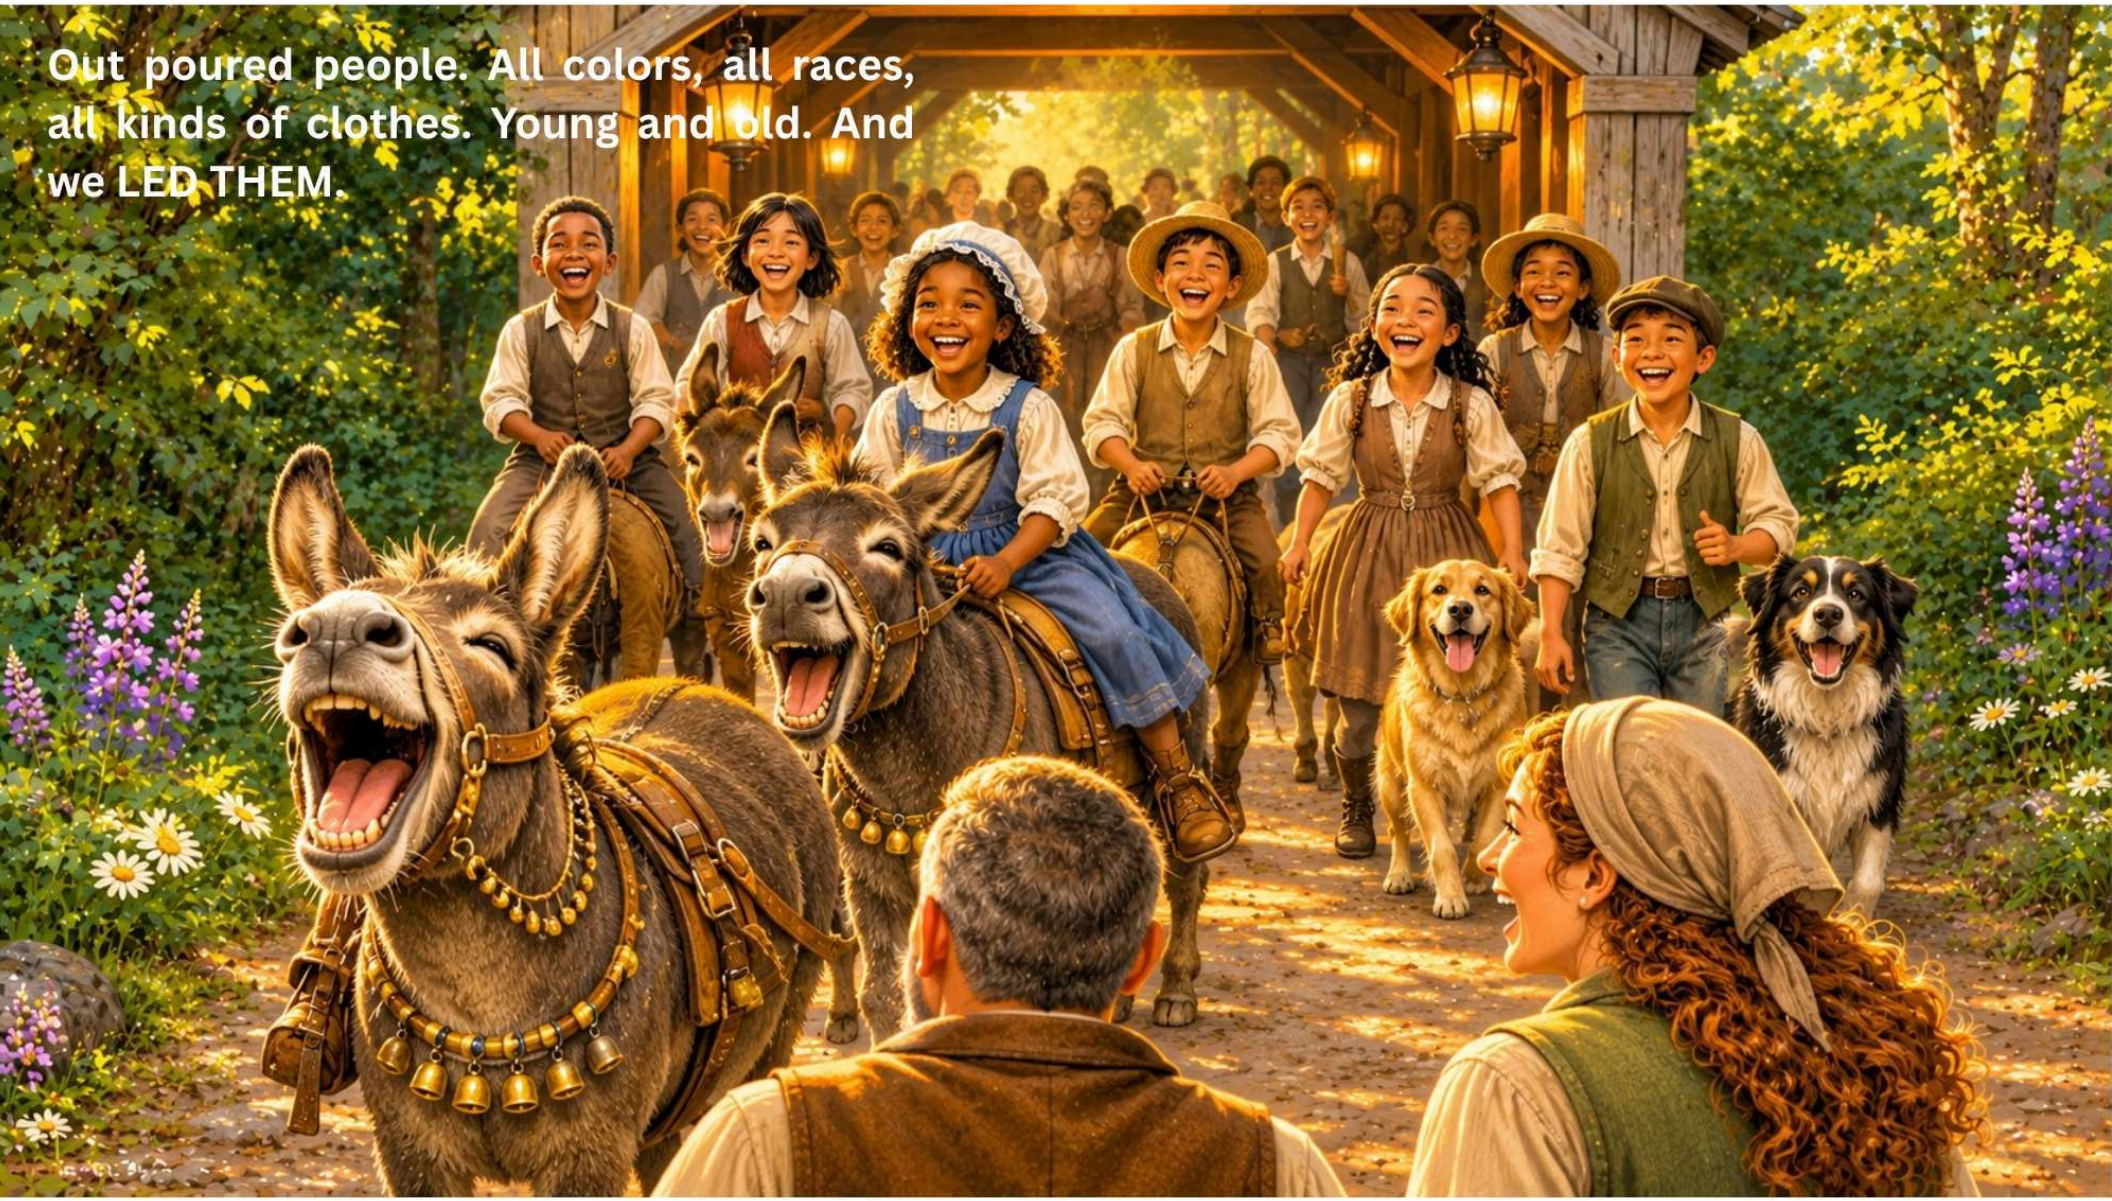

Soon came a boat.With three hip rats. Rowing that boat in that river. “We hear you need a ride, hop in and we will row.” And row they did. “Where do we go,” Asked Alex. With big grins the rats, “Well Alex today we all MAKE NEW FRIENDS.”

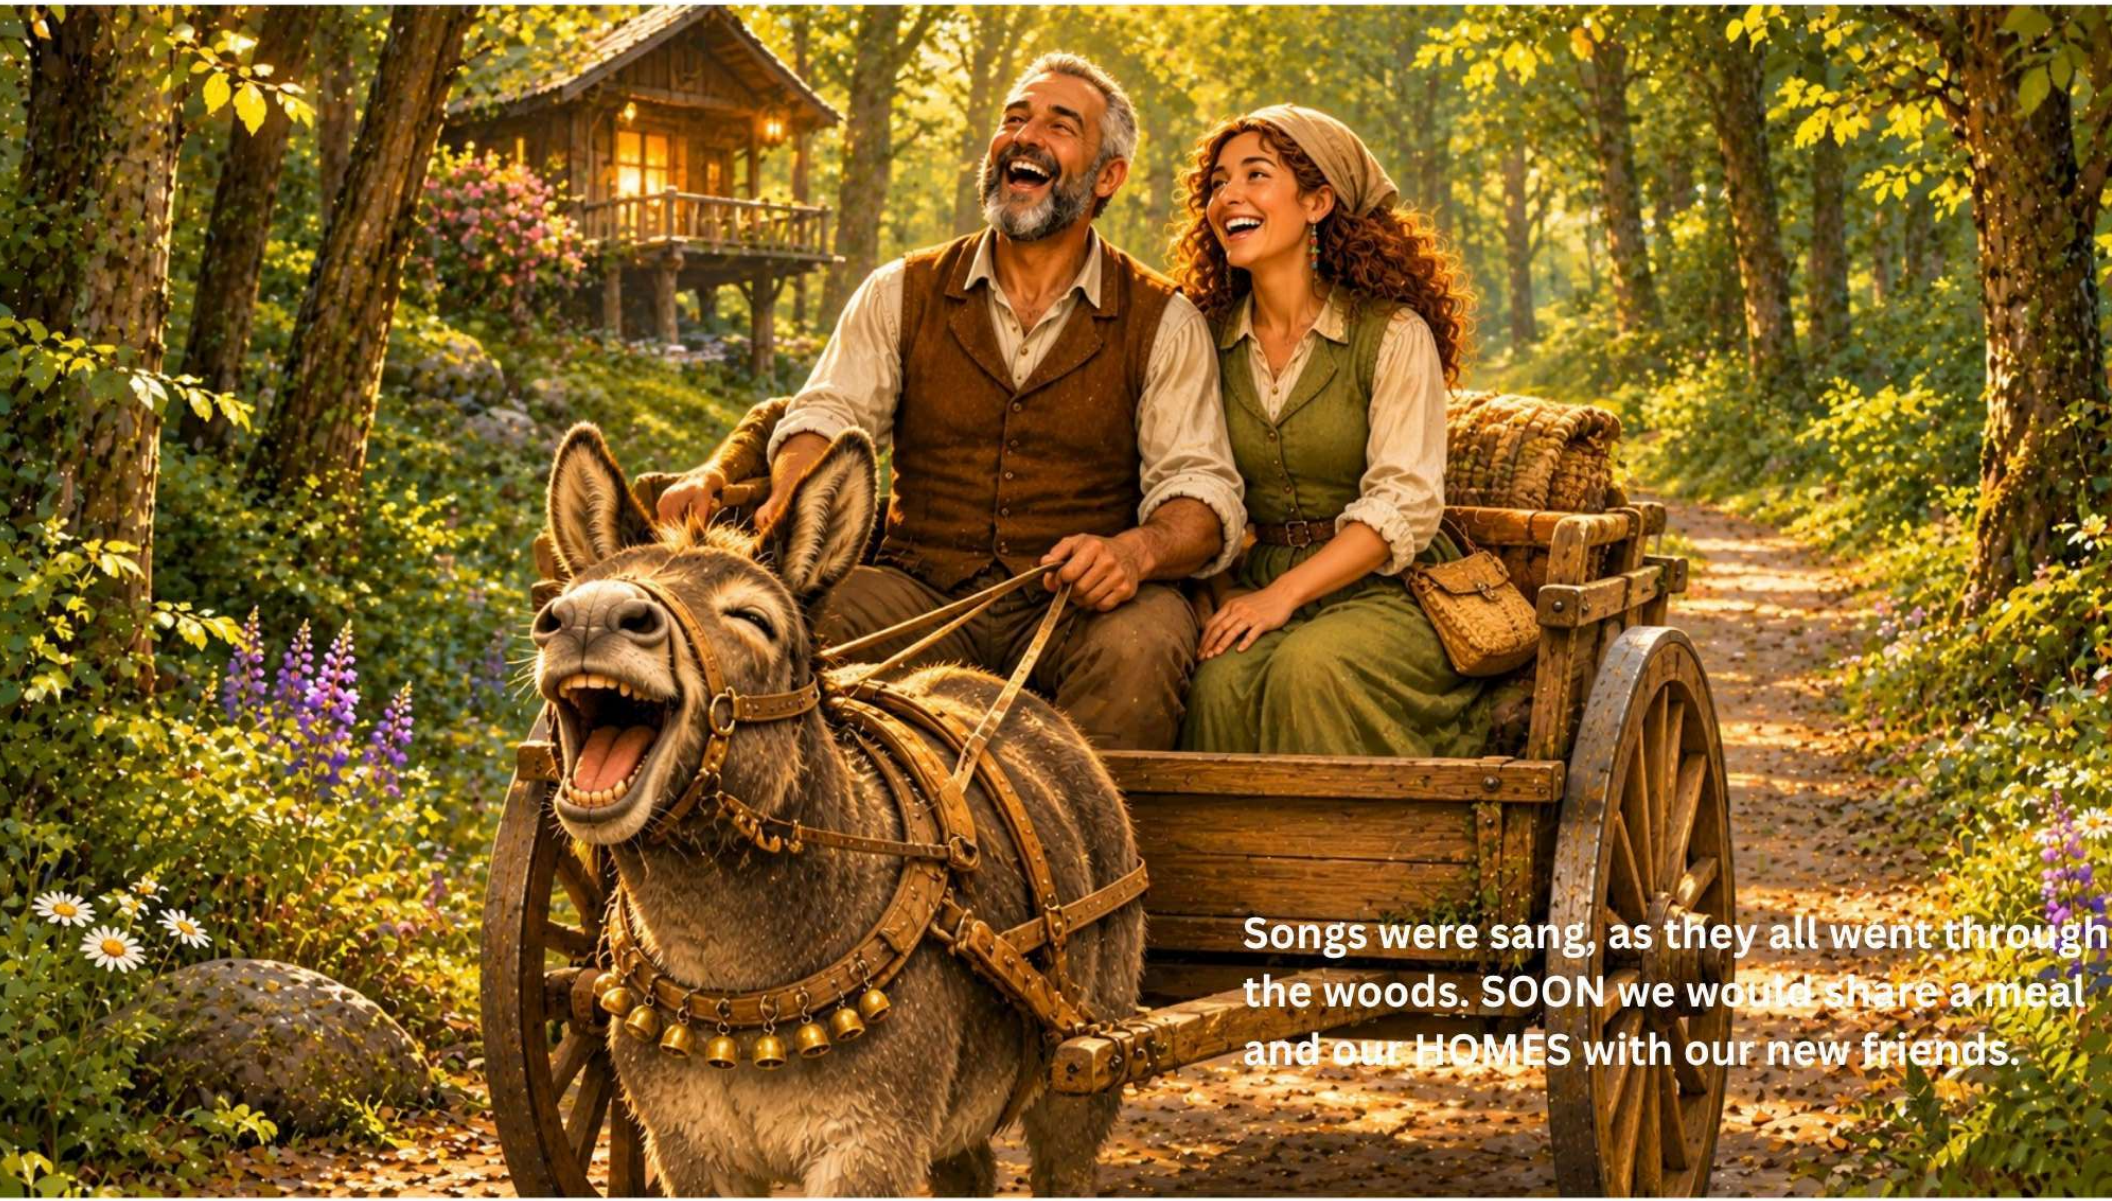

The boat was rowed down the river to a waterfall. Alex was in awe. He wondered what was behind those falls. He, smiled at the kids “Can you guess what was there?” “What?” yell the kids.

“A cave. It is magic. It glows with light and much more. There was a gate.”

There at the gates sat dragons. One golden. One Silver. The gates opened.

Out poured people. All colors, all races, all kinds of clothes. Young and old. And we LED THEM.

Songs were sang, as they all went through the woods. SOON we would share a meal and our HOMES with our new friends.

All sit together and share a meal of fish and chips. We speak of their adventures, their culture, their lands and we love, live and laugh.

THE BEAR SONG

The other day,
(The other day)
I met a bear,
(I met a bear)
Away up there,
(Away up there)
A great big bear!
(A great big bear!)

The other day I met a bear,
A great big bear a way up there!

He looked at me
(He looked at me)
I looked at him
(I looked at him)
He sized up me
(He sized up me)
I sized up him
(I sized up him)

He looked at me, I looked at him,
He sized up me, I sized up him.

And so I ran
(And so I ran)
Away from there
(Away from there)
And right behind
(And right behind)
Me was that bear
(Me was that bear)

And so I ran away from there,
And right behind me was a that bear.

Ahead of me
(Ahead of me)
I saw a tree
(I saw a tree)
A great big tree
(A great big tree)
Oh, golly gee!
(Oh, golly gee!)

Ahead of me there was a tree,
A great big tree, oh, golly gee!

The lowest branch
(The lowest branch)
Was ten feet up
(Was ten feet up)
I had to jump
(I had to jump)
And trust my luck
(And trust my luck)

The lowest branch was ten feet up,
I had to jump and trust my luck.

And so I jumped
(And so I jumped)
Into the air

Now don't you fret
(Now don't you fret)
And don't you frown
(And don't you frown)
I caught that branch
(I caught that branch)
On the way back down
(On the way back down)

Now don't you fret and don't you frown,
I caught that branch on the way back down.

ROW ROW YOUR BOAT SONG

Row, row, row your boat
Gently down the stream
Merrily merrily, merrily, merrily
Life is but a dream

Row, row, row your boat
Gently down the brook
If you catch a little fish
Please let it off the hook

Row, row, row your boat
Gently down the creek
If you see a little mouse
Listen to it squeak

Row, row, row your boat
Gently down the river
If the river gets you wet
Don't forget to shiver

Row, row, row the boat
Gently to the shore
If you see a lyin' bear
Don't forget to roar

Row, row, row your boat
Watch the water flow
Rowing's fun but rowing's hard
That is what I know

FISH AND CHIPS SONG

Fish and Chips and Vinegar, vinegar, vinegar

Fish and Chips and Vinegar Pepper, pepper, pepper salt

One bottle pop, two bottle pop, three bottle pop, four bottle pop, five bottle pop, six bottle pop, seven bottle pop, pop

Don't throw your junk in my backyard, my backyard, my backyard.

Don't throw your junk in my backyard cause my backyard's filled.

MAKE NEW FRIENDS SONG

Make new friends, but keep the old.
One is silver, the other is gold.

A circle is round, it has no end.
That's how long, I will be your friend.

A fire burns bright, it warms the heart.
We've been friends, from the very start.

You have one hand, I have the other.
Put them together, we have each other.

Silver is precious, gold is too.
I am precious, and so are you.

You help me and I'll help you
and together we will see it through.

The sky is blue. The Earth is green
I can help to keep it clean

Across the land, Across the sea
Friends forever we will always be
