FALL HARVEST
WELCOME ALL

Fall harvest comes every year. The people at the ranch prepare for the fun. All will join.

The Nut Brigade stand guard at headquarters to make sure all is set.

Inside, the two Nut Brigade Generals, Furnel and Charlie, peek at plans one more time, “Yep, all is set!” Furnel states.

Final items are gathered for the grand feast. Fall Harvest brings us so much. In fact so much we have a surprise for ALL!!

The kids have already been making crafts for hours. They even dressed in silly costumes for the party.

Emelia and Allacorn’s little ones, Walnut, Allmond, and Peanut LOAD the catapult to launch extra harvested squash into the empty field for a fun treat for all the animals on the Ranch.

Hetty, Harper, Jetty and Bernie all dressed up for the party make final touches to the corn maze.

A good old barn dance brings everyone together in laughter, fun, food and life.

Hay rides to take you on a spooky lantern lit path. Snacks and blankets included.

Tootles sits in the corner watching Snuffles lead the parade for the kids playing all kinds of instruments.

The next day as many that could came and enjoyed the treat that had been launched the night before by all taking turns. SEEING WHO COULD GET THE FARTHEST. PUMPKIN CHUCKING AND next day treating!
