
Welcome to our Shyneria
Snow Fun
WELCOME ALL

Here we join Patty and Ace in their favorite watering hole in Africa. They heard a lovely rumor of a snow party. WITH SLEDDING!

Patty and Ace meet Monroe and her new friends with glee. There is even SANDWICHES!!

Soon the pavilion crowded with friends.
Zest filled the air.

The children in Shyneria were so busy making crafts they almost missed lunch.

The Kitchen had been busy all morning.
Making special treats for the campfire stories that night.

Patty and Ace, who the kids have nicknamed Patty Cakes, get ready for the night with new snow gear.

I wonder what the Nut Brigade is up to.
Looks like they are inspecting some sleds.

Caden and Nerine show up with stacks and stacks of blankets. Wait and TREATS!

Fires were lit and people gathered. Stories were told. Sleds were brought out.

Off Patty Cakes flew. Down the mountain they went, laughing all they way in chase.

Clean get away!! Marshmallows mission complete!

Bonfire stories still filling the heads of the children of Shyneria, they eagerly finished a fun experiment for a new adventure.

Make Your Own Explorer Compass!

A simple tool for treasure hunts and adventures

- Sewing needle
- Magnet
- Pin / Thumbtack
- Small cardboard circle
- Marker

You'll Need:

⚠ Ask an adult for help with magnets and sharp tools!

1 Magnetize the Needle

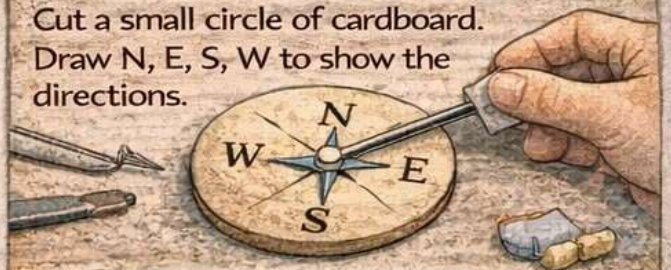

Rub the needle against the magnet. 30–50 times in one direction to turn the needle into a tiny magnet.

TIP: Torn the needle against the magnet 30–50 times in one direction.

2 Make the Compass Base

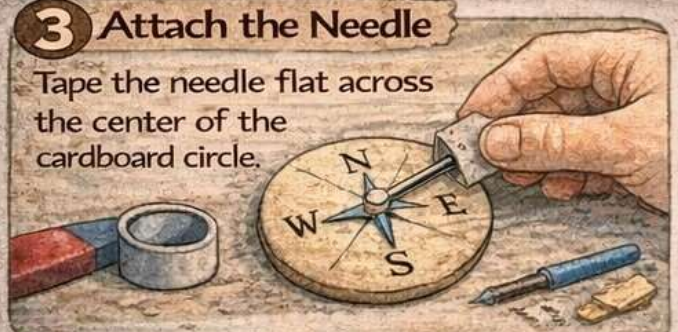

Cut a small circle of cardboard. Draw N, E, S, W to show the directions.

TIP: Tape the needle flat across the center of the cardboard circle.

3 Attach the Needle

Tape the needle flat across the center of the cardboard circle.

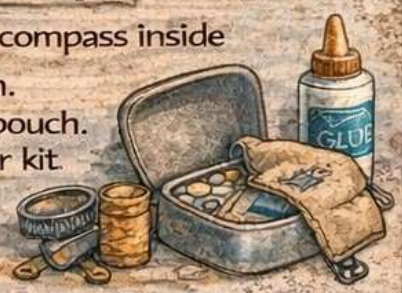

4 Create the Spinning Point

Push a pin or thumbtack through the center of the circle. Stick the tack into cork, foam or eraser. so it can spin freely.

Explorer Tip!

- Keep your compass inside
- a small tin.
- treasure pouch.
- or explorer kit.

Now you're ready for a treasure hunt!

5 Watch It Turn

Set the compass down. The needle will move. until it points to North and South.

Make Your Own No-Sew Explorer Bag!

Craft a cool bag from an old T-shirt or fabric—no sewing required!

You'll Need:

- Old T-shirt or fabric
- Scissors
- Fabric glue (Optional)

⚠ Ask an adult for help with scissors!

1 Cut the Shirt

Cut off the sleeves and the neck hole.

TIP: Now you have a simple fabric sack shape.

2 Cut Fringe

Cut the bottom into strips about 1 inch wide.

TIP: These will look like little fabric tassels.

3 Tie Knots

Tie each pair of strips together in a knot.

TIP: This closes the bottom of the bag.

4 Turn It Inside Out

Flip the bag so the knots are inside.

5 Add the Shoulder Strap.

- Cut slits near the top of the bag.
- Lace a long fabric strip through the slits and tie knots inside.
- Lace the other side you have a knot...

TIP: Now your explorer bag is ready to wear!

It's perfect for...

- treasure maps, found rocks,
- compasses, markers..
- or any little. adventure gear!

Patty Cakes, Patty Cakes

A Shyneria Song

Patty Cakes, Patty Cakes, hippo pair,
Splash in the water without a care.

Patty sips drinks with a bow so bright,
Ace eats a sandwich with one big bite.

Patty Cakes, Patty Cakes, splash and play,
Birds all laugh as they swim all day.

When winter comes they slide down the slope,
S'mores by the fire with marshmallow hope.

Pat-a-cake

Pat-a-cake, pat-a-cake, baker's man,
Bake me a cake as fast as you can.
Pat it and prick it and mark it with B,
And put it in the oven for baby and me.

Pat-a-cake, pat-a-cake, baker's man,
Bake me a cake as fast as you can.
Pat it and prick it and mark it with. B
And put it in the oven for baby and me.
