
Welcome to our Shyneria.
MONROE'S PICNIC
WELCOME ALL

Welcome to Shyneria!!!!!
Meet Snuffles and Tootles.
Tootles is a teat mouse. He sometimes has gas because he is lactose intolerant, but that does not stop him from his favorite treat. Cheese!!
Snuffles is a skunk who has allergies. She is not bothered by Tootles' toots.
Today we join our friends on a picnic in their favorite spot!

Tootles and Snuffles spent all morning baking for the picnic with Hetty and Harper.
They even baked up a special cake for Little Monroe's Surprise birthday party.
In fact, all the animals had gathered and made her special treats, and surprises.
WE MADE Origami!!

Monroe had a surprise of her own. She excitedly told her friends in school about her picnic and THE SURPRISE!!!
Monroe was getting a baby sister.

Monroe was making a surprise of her own too!
She weaved a basket to hold her surprise.

The kitchen was alive with motion, planning for meals.
The kitchen set aside food for Monroe's picnic.

Monroe slipped into the kitchen after crafts, and with hunger in her belly accepted the picnic basket.

Monroe merrily went on her way, “Thank you!”

In the meadow, many beings gathered in
joy for the surprise birthday picnic.

Snuffles and Tootles joined Monroe and their other friends with the surprise birthday cake.
Monroe bashfully told her friends she was going to be a big sister.
SURPRISES ALL AROUND!!

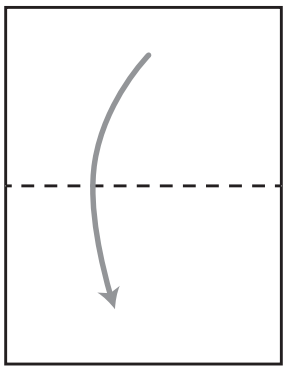

After the picnic, Monroe and her friends gathered wild flowers for her surprise for her mommy.

Jerica and Mike looked in on their little
Monroe and her friends in delight with
friends and guides. GREG and Jules.

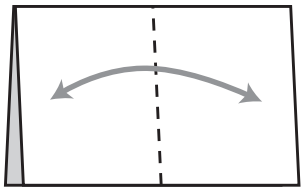

ORIGAMI BOAT INSTRUCTIONS

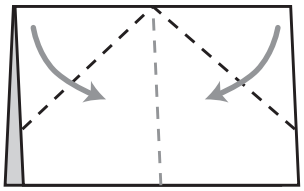

Nature CAT

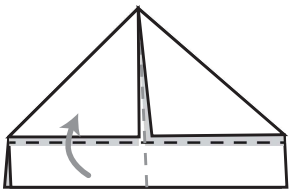

1. Fold paper in half

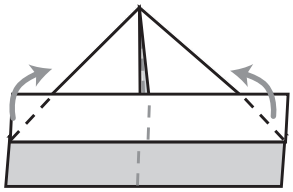

2. Make a crease in the middle by folding and unfolding the paper

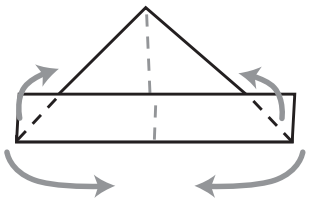

3. Fold down each top corner

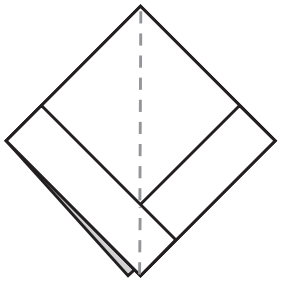

4. Fold top strip upwards

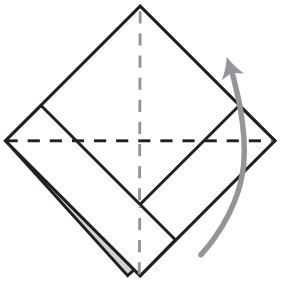

5. Fold corners over back, then turn over and repeat previous two steps

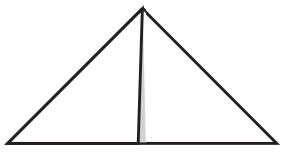

6. Push corners together

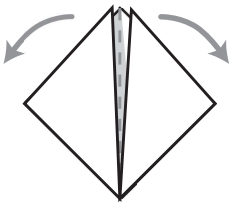

7. This should make a flat square

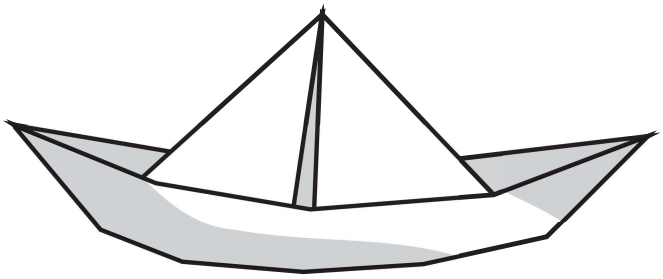

8. Fold up the top flap, then turn over and repeat

9. Open up the bottom of this triangle
